Grant Rules

How to Apply

FIDM offers over \$40,000 annually in grants for current high school teachers, counselors, or administrators from public high schools and high schools that are tax-exempt under section 501(c)(3) of the Internal Revenue Code (“section 501(c)(3)”). Applicants may apply for one grant per semester.

Eligibility

To apply for an Educator Grant from FIDM, you must be a legal resident of the United States, and a current high school educator (teacher, counselor, or administrator) in a public high school, or a private or parochial school that is tax exempt under section 501(c)(3). Anyone located outside the continental United States is ineligible to receive a grant from FIDM. Employees of FIDM and their immediate families (including mother, father, sons, daughters, spouse, brothers, sisters, and immediate household members) are also ineligible to receive a grant from FIDM.

Recipient Selection & Notification

*Please note that a FIDM Field Trip Grant cannot be used on the dates of the DEBUT Runway Show. Please see the FIDM Fashion Club DEBUT Transportation Grant for eligibility requirements.

On or before the notification dates, grant recipients will be selected by a panel of FIDM judges whose decisions are final and binding in all respects. Those selected to receive a grant will be notified by telephone, email, and/or United States postal mail. If a grant recipient cannot be confirmed within ten (10) days from the first notification attempt, then such person will be disqualified and an alternate recipient selected.

Grant Availability

The number of grants awarded is determined by the merit of the applications and the funding available at any particular time, and Grantor reserves the right, in its sole discretion, to cancel, terminate, modify, or suspend grants without any liability of any kind whatsoever to any applicant or recipient.

Grant Conditions

By submitting an application, applicants agree to be bound by these Grant Rules and Regulations and by the decisions of FIDM and its respective directors, employees, officers, affiliates, and agents (hereafter, the “Grantor”).

Applicants may be ineligible to receive a grant, or may have a previously awarded grant

revoked, if applicants do not comply with all the applicable terms, conditions, rules, and restrictions imposed both by law and by the Grantor.

If any statement made by the applicant is false or misleading, the applicant will immediately return to FIDM, upon demand, a cash amount equal to the fair market value of the grant awarded.

If awarded a grant from FIDM, the applicant will participate as a private individual and not as an agent or representative of the Grantor. Any funds awarded shall be used exclusively for the purposes outlined in the grant.

Waiver of Liability

The applicant and the applicant's heirs, administrators and successors (1) release the Grantor from any and all liability, claims or causes of action which may arise out of or in connection with travel to/from and/or participation in the grant program, including but not limited to any activity, travel or otherwise, that is not part of the official program; and (2) agree to indemnify and hold the Grantor harmless from any and all liability, loss, damage, cost or expense of any nature whatsoever (other than costs expressly assumed by the Grantor), including all reasonable attorneys' fees and court costs, incurred by the Grantor as a result of the applicant's actions in connection with his/her participation in the grant program.

The Grantor is not responsible for late, lost, damaged, misdirected, incorrectly addressed, incomplete, illegible or undeliverable applications due to system errors or failures, or faulty transmissions or other telecommunication malfunctions and/or online applications not received, resulting from any hardware or software failures of any kind, or other malfunctions which may limit an applicant's ability to participate.

The Grantor is not responsible or liable for any damages, injury or losses of any kind arising out of access to, and use of, any Grantor-owned or controlled Internet site, or the downloading from and/or printing of material downloaded from any such sites.

Terms Governed by California Law

The terms and conditions of these Rules and Regulations are to be governed by the internal laws of the State of California and the United States of America. The applicant (a) waives all right to trial by jury; (b) consents to the exclusive jurisdiction of the Supreme Court of the State of California and of the United States District Courts of California; and (c) agrees that any process of notice or motion or other application to the court or judge thereof may be served within or without the State of California by registered or certified mail or by personal service, provided that a reasonable time for appearance is allowed.
